work with your district*

Seaside Educational Consultants (SEC) will conduct an equity review to aid the School District as they develop culturally proficient guidelines including equity, diversity, and inclusion.

**Seaside will create an equity plan that details guidelines including, but not limited to:**

**Anti-Racist School Practices to Support the Success of All Students**

**Anti-Racist Decision Making for School Leaders**

**Teaching with a Culturally Responsive Lens**

**Putting Equity front and center in future development of curriculum.**

**The District Strategic Plan and professional learning will address equity through the following three Standards for Professional Learning:**

# Equity Practices:

What educators need to know and be able to do to achieve equity outcomes with students

# Equity Drivers:

Embedding equity in the design and process of all professional learning experiences

# Equity Foundations:

A Vision for Inclusive Education
